

**SAINTS PETER AND PAUL**  
CATHOLIC HIGH SCHOOL

**Remote Learning Behaviour Expectations for students**

**BE RESPECTFUL:**

Choose a distraction free workspace and remember to keep distractions to a minimum

Make respectful comments and think about how others will respond to what you say

Think BEFORE posting – are your comments appropriate and respectful?

All 'chat' functions will be recorded to ensure all comments are appropriate

Inappropriate or rude communications will not be tolerated and WILL be followed up using the school behaviour for learning policy

Bullying in any form will NOT be tolerated and will be followed up

**BE RESPONSIBLE:**

Just as you must be on time and present in school, you must be on time and ready to participate in online learning

Be prepared and have materials ready

Help others who may need assurance and support

Be properly dressed and have snacks ready so that you are able to concentrate fully

**BE SAFE:**

- ✓ I agree to work respectfully when attending live lessons and meetings
- ✓ I agree to follow usual standards and expectations when working remotely
- ✓ I will complete all tasks that my teachers set
- ✓ I will use TEAMS 'chat' respectfully and only use it to ask work related questions and responses
- ✓ I will show full respect to all teachers and students with all remote learning

**I UNDERSTAND THAT TEACHERS WILL FOLLOW UP ANY BEHAVIOUR CONCERNS AND COMPLETE A GUIDANCE**

**I UNDERSTAND THAT TEACHERS WILL REWARD STUDENTS IN REMOTE LEARNING IN THE SAME WAY AS IN SCHOOL**

Use a safe and sensible approach to remote learning, protecting yourself at all times
