

# WWLCSD Teaching Internships

- Open to Undergraduates studying for degrees in subjects which would enable them to apply for a PGCE in STEM subjects and MFL.
- Most suitable for people who are looking to explore teaching as a potential career.
- In addition, for people looking to gain new skills, strengthen their CV (and earn some money!).
- 3 weeks. End of June-early July.
- £300 paid for each week completed.
