

SAINTS PETER AND PAUL
CATHOLIC HIGH SCHOOL

VMware Horizon Client Download

For remote desktop connectivity to school staff

Step 1 –

Go to the below and select the version of the client that best suits your device:

All Versions:

https://my.vmware.com/web/vmware/downloads/info/slug/desktop_end_user_computing/vmware_horizon_clients/4_0

Alternatively, the quick links for Mac and Windows, you can also download the applications from the Microsoft and Apple app Stores:

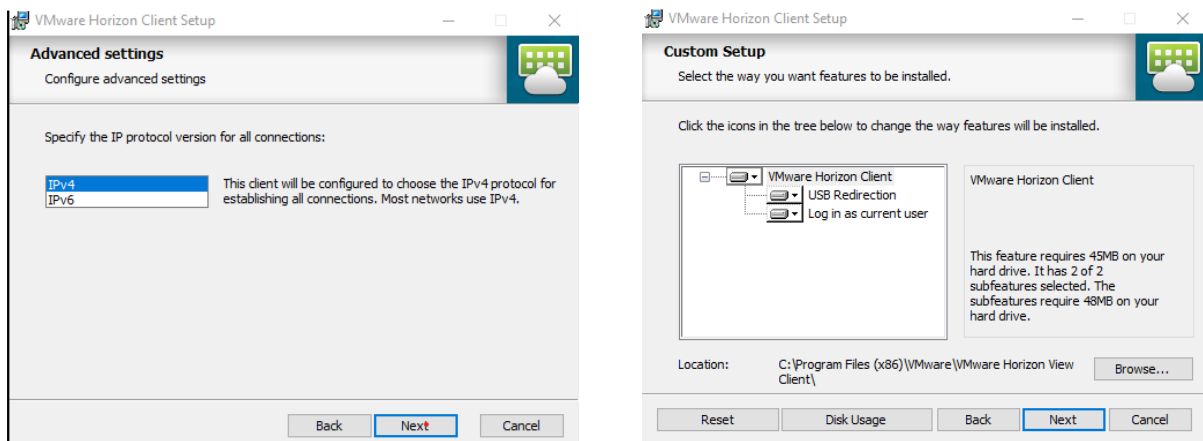

Windows – Release, May 2021:

https://customerconnect.vmware.com/downloads/details?downloadGroup=CART21FQ3_WI_N_552&productId=863

MacOS – Release, September 2021:

https://customerconnect.vmware.com/downloads/details?downloadGroup=CART21FQ3_MAC_553&productId=863

When Setting up VMware Follow the steps through to Advanced Settings and Select IPv4, then continue with a custom setup (there are no changes required to be made in this option):

When the set up asks to add a new or existing server, our Default Sever Address is:
pars.saintspeterandpaul.halton.sch.uk

You can then log in using your normal school credentials.
