18th July 2018

Dear Parents/Carers

It is with great honour and excitement that I introduce myself, Mrs Danielle Scott, as the new Principal of Saints Peter and Paul Catholic College from September 2018.

My passion for this role and ability to lead change with conviction has been shaped and tested over the last 19 years as a PE/Science teacher, Head of Department, Assistant Headteacher, Deputy Headteacher and most recently as the Head of College here at Saints Peter and Paul. Additionally, I have been successful in National and Archdiocese Senior Leadership programmes and have recently achieved the National Professional Qualification in Headship (NPQH).

I am thrilled to be taking over this crucial role and having worked with Mrs White for the last 6 years I know that we can ensure a really smooth transition. One of the huge advantages of this opportunity is that I know this school and community really well; I know what is great about us and equally I am aware of the areas we need to work on.

I am extremely ambitious for the school and your children and have spent this transition period working tirelessly with the Senior Leadership team and all staff to take us into a new era and establish a really strong start for your children when we return in September.

A key priority for September is ensuring high expectations and standards for all members of our school community. I do not apologise for holding the highest expectations of your children because they deserve the very best. High expectations for appearance, progress and behaviour will be high on our agenda.

School uniform plays a vital role in contributing to the positive ethos of the school and the setting of high expectations and appropriate tone. We will be tightening some of the uniform guidance and standards to ensure greater consistency across our community (please see below).

Return to college

Students travelling to school on a bike

We are currently working with Cheshire Police to ensure students keep themselves safe travelling to and from school on their bike. Additionally, there will be a new plan in place for students entering and leaving the school ground on bikes. If your child uses a bike to travel to and from college please respond to college correspondence indicating this and we will keep you updated ready for September.

I look forward to a great year ahead and can assure you of my absolute drive and dedication to leading Saints Peter and Paul to be the very best! I will write to you early in the new term to communicate other priorities and developments.

Have a great summer.

Kind regards

Mrs Danielle Scott
