STEM CAREERS FAIR Saints Peter and Paul Catholic College Tuesday 26th March 5 – 7pm

Dear Parents/Carers,

We are inviting you to our STEM careers fair at Saints Peter and Paul's Catholic College on 26th March from 5pm – 7pm.

Many local companies and universities (*including Unilever, Liverpool University, and JTL Training to name a few*) will be joining us in one room to promote and educate different jobs in differing career sectors. They will be able to answer your questions and discuss what employers would like to see from future employees. This is a great opportunity for our students to explore the range of possibilities that their favourite subjects have to offer.

In the Sixth Form Centre there will be focused talks, available for everyone, provided throughout the evening from our excellent colleagues *Shaping Futures* to provide information about Higher Education, Apprenticeships and Finance.

The event is free of charge for all students, who are welcome to bring along parents and friends from the college. We hope you and your child(ren) are eager to come along to the event.

The timings of the event are:

Years 7 – 9: 5pm – 6pm

Years 10 – 13: 6pm – 7pm

If you would like to attend please contact the college or complete the form sent to your email address. If there are any issues with the specified timings but you would still like to come, please detail this on your reply slip.

Should you wish to enquire about any details regarding the event then please do not hesitate to contact me at college.

Yours sincerely

Miss Scott
